Dear Mr. Sample:

We have not heard from you, but there is still time to transform a vet's or other student's life!

For every student who receives a scholarship, the Montgomery College Foundation turns three others away for lack of funds.

Students are already registering for fall classes and need your support now. Don't disappoint them. Make your gift today.

With thanks,
Martin Mayorga, '97

P.S. You can double the amount and impact of your gift thanks to a challenge grant.
If your gift and this note have crossed in the mail, we thank you.
