

# Ways to Give

## Donor-Advised Funds

If you have created a donor-advised fund (DAF), please consider making a grant recommendation to the National Park Foundation. Your gift will go directly to the places you love most — our country's most breathtaking and historically significant parks and monuments.

## Gifts from IRA or Retirement Accounts

If you are 70½ years old or older, you can make a gift to NPF directly from your IRA without having to pay income taxes on the money. Simply contact your IRA plan administrator and tell them the amount you wish to donate and provide our address and contact name.

## Matching Workplace Gifts

When you sign up for workplace giving or take advantage of your employer's matching gift program, you maximize the impact your donation has on these efforts.

## Gifts of Stock

Donating appreciated securities is a wonderful way to help support the national parks. It is imperative that you also alert the National Park Foundation of your gift so we can identify it when it arrives and you receive credit for the donation.
